## Charity

Kamong initiated this idea of donating to all his profits to China's earthquake victims for today's milonga and I am glad to see Coleman is doing the same. I agree with Ray that Tango Tang should do the same and donate all the proceeds after expenses of Javier and Andrea's workshop and milonga.

Any objections from any TT members?

The State Council, the Cabinet, on Sunday ordered a nationwide display of respect for the dead.

The public are asked to stand in silence for three minutes from 2:28 pm on Monday, the time the deadly quake hit, while automobiles, trains, and ships would sound their air sirens.
