To all ladies who went to the Practica session on 19 Aug, Tue at Helena May dance studio:

Please kindly check if you have brought back the right pair of dancing shoes.

A lady has accidentally brought back a black shoe and left her right dancing shoe at the studio. I am the owner of the missing black shoe and has brought back the dancing shoe with me. If you are the owner of the dancing shoe, please contact me at missyhii@yahoo.com

Enclosed is the picture of the dancing shoe and my black shoe which I am awaiting for its return.
